

**PLETT HAS BEEN NAMED AS ONE OF THE SEVEN**

# **WHALE HERITAGE SITES**

**WORLDWIDE!**

## **WONDERFUL NEWS!**

Plett recently secured its place as one of the seven special destinations around the world to come and experience the annual whale breeding and calving season. It has been a phenomenal whale watching year so far ,with countless whale and dolphin sightings each day from Robberg all the way to Keurbooms and beyond.

In Plett, the whale season runs from June to mid-December with peak season being September and October. Judging by the activity in August, we think the next two months are going to be awesome.

It is the ideal opportunity to book a Camino and at the same time come and experience Humpback, Southern Right, Bryde's, Sei and even Orca whales in this beautiful habitat.

## A HUGE SURGE IN BOOKINGS

We are thrilled to report a huge surge in bookings over the last 6 weeks as the word got out there about the Plett Camino. We have bumper months in September, October and November, so expect to see plenty of action on our social media pages.

## ONLY FOUR FULL SLOTS LEFT

We had only four full slots left for the rest of the year, but have managed to open up another one right at the end on the **10th of December** just before the holidays start and the whole country descends onto Plett for the festive season!

These slots are still available and so if you have been sitting on the fence, get in touch with us and we will make a plan for your group.

**22ND OCT - 29TH OCT - 26TH NOV - 3RD DEC - 10TH DEC**

## WE ALSO HAVE SPACE ON THE 3RD OF DECEMBER

We also have space on the 3rd of December for those parents who are driving to Plett to drop their kids at the Plett Rage and are looking for some peace and quiet over the ensuing five days. This Camino is perfectly timed to start on Sunday the 3rd December and finishes on Friday the 8th just in time to take your happy but exhausted child back home.

## ALL THE SINGLE LADIES

We have had a lot of queries from single ladies in particular, who wish to book a Camino on their own and wonder if it is safe to do so. Each Camino is guided by two qualified guides, and we have a whole team in the background who ensure that each person is safe and looked after. Our hiker's safety is of utmost importance to us, so you can rest assured knowing that we've got your back.
